Mars Venus In The Workplace - Winning People through Mars & Venus Way

Based on the strategies contained in Dr John Gray's best-selling book Mars Venus In The Workplace, this workshop offers you the strategies, tips and tools you need to improve your own and your team's professional performance and success. You'll learn how to generate respect and build trust through workshop exercises designed to promote teamwork using interactive techniques.

This stimulating and entertaining workshop can help you to increase productivity by providing a greater awareness and appreciation of the diverse characteristics within each of us and how these differences can positively or negatively affect productivity and your bottom line.

You'll discover how, by understanding the differences between men and women in the workplace, you can identify and respond to various business approaches in a manner that earns greater respect and promotes increased co-operation. This workshop will enable you to achieve your goals and get you and your team motivated to achieve improved productivity and profitability.

You will learn how to ...

- communicate with and understand the opposite sex
- increase productivity and profitability
- enhance management skills
- get what you want
- increase self esteem and confidence
- score points with the opposite sex
- balance your work and home life
- develop the strategies of leaders
- create instant rapport with others
- accelerate your personal and professional growth and success
